

Dear Colleagues

It is a great pleasure for us to announce the

***10th International Conference on “Structural Analysis of Advanced Materials”,
ICSAAM-2023,
to be held in the beautiful island of Zante (Zakynthos)
10-14 September 2023***

ICSAAM 2023 conference has been initiated more than a decade ago and is an International Conference, co-organized by six different European Universities where friends and colleagues working in technological and scientific fields related to Engineering and Biomechanics of polymers and polymeric composites, metals and ceramics, biomaterials and nanomaterials, applied to modern industrial applications, are gathered to exchange new ideas on subjects related to mechanical and structural analysis of advanced materials and applications.

ICSAAM 2023 extended abstracts will be published by AIP Conference Proceedings and will be indexed in associated databases (Scopus, Web of Knowledge), while selected relevant papers of the ICSAAM2023 Conference will be invited to appear in special issues of different journals depending on the topic (for more details, see: <https://icsaam2023.upatras.gr/submission/>)

During the ICSAAM 2023 conference, MSc and PhD students as well as post docs will have the chance to attend a Summer School organized in the field of Advanced Textiles for Fiber Reinforced Composites. The summer school will be held from 10th to 14th of September 2023, in the island of Zante (Zakynthos). For detailed information about ICSAAM 2023, please see the attached announcement flyer, and the Conference website: <https://icsaam2023.upatras.gr/summer-school-2/>

For detailed information about **ICSAAM 2023**, please see the attached announcement flyer, and the Conference website: <https://icsaam2023.upatras.gr/>

Important dates for the Symposium:

- Abstract Submission Deadline: 1 May 2023
- Abstract Acceptance Notification: 1 June 2023
- Extended Abstract Submission: 1 July 2023

Please forward the announcement to colleagues and friends who might be interested in the Symposium as well.

We hope to meet you at Zakynthos in September.

Yours sincerely

*George Papanicolaou
Professor Emeritus
Chairman of ICSAAM 2023
Department of Mechanical Engineering and Aeronautics
University of Patras, Greece*
